Dear Prospective Blue Thunder Member,

I am excited that you are interested in being a part of the Boise State University Keith Stein Blue Thunder Marching Band! The audition weekend will be held on **April 8th and 9th**, 2016. Please do not be intimidated by the audition process, it is straight-forward and is simply meant for the staff to understand your ability prior to entering the band. The music portion of the audition includes the scales provided on the following page and a solo or etude of your choice, that best shows your TECHNICAL abilities. Scholarships are awarded based on an individual’s skill level so we encourage you to prepare to the best of your ability!

The major scales provided should be played at 100 beats per minute. Please tongue each note in a legato style. If you are able to play octaves beyond what is provided, please show us your range, but play only full octaves, no half octaves please. You will not be asked to play all the majors scales, but please be prepared with all of them. If you are sending in an audition recording, please play any 4 scales. Everyone will be asked to play the chromatic scale at the bottom of the page. Please use the appropriate articulations as marked and play the two-octave scale as fast as possible. Again, if you are able to play beyond the notes provided, I would enjoy hearing your extended range.

The solo or etude does not need to be terribly long, but should be approximately two to three minutes in length. When sending in a recording, please state the title of the work and the composer. If it is an etude, please provide the same information. If you have any questions, please feel free to contact me at the Blue Thunder Band Office, 208-426-1846. All recordings should be sent to the address below by **April 8th**. Those auditions received after April 8th will be reviewed, but scholarships will only be awarded if funds are still available. We ask that all students residing close to Boise, within 100 miles, please call to schedule an audition for our audition weekend, Friday and Saturday, **April 8th and 9th**. Those individuals that visit Boise State for music major auditions in February can use that audition as entry into the Blue Thunder, except for members of the drum line and color guard.

Warm Regards,

Joe Tornello
